1541 Hwy 88 West, Suite B
Brick, NJ 08724***

We are pleased to announce our forthcoming merger with Pediatric Affiliates, P.A. It is scheduled to take place officially on July 01, 2013. On that date my practice will begin conducting business as Pediatric Affiliates P.A.

After careful consideration, I have decided to seek a merger with Pediatric Affiliates P.A. to serve you better. I have known the physicians and had the privilege of consulting their patients for 22 years at Ocean Medical Center, Brick, NJ. I will continue to care for my patients at their Brick location. I believe that a larger organization will allow us to provide extended hours of operation and urgent care for our pediatric patients. This will avoid sending non-emergent care to hospital emergency rooms. Pediatric Affiliates P.A. has six offices, many of which are open 7 days per week. Our patients will have access to Pediatric Affiliates' highly trained professional medical staff. Pediatric Affiliates has someone on call every night. They are self-contained practice. Pediatric Affiliates share the same core values that I do.

We will be moving our offices to Pediatric Affiliates, 218 Jack Martin Blvd, BRICK, NJ 08724 starting July 1st 2013. Our existing phone number will continue to operate during this transition period. Patients will also be able to schedule appointments by Calling Pediatric Affiliates Brick office at 732-458-0010.

I am grateful to you not only for giving us the opportunity to provide you with high quality, problem focused medical services but also for your loyalty and friendship, which have enriched my relationship over the past several years. I hope you will continue to give your love and support so that I may continue to serve your children whom I care and bear close to my heart. I am confident that our new affiliation will serve us all well.

If you have any questions about this merger, please feel free to contact me directly at my mobile number 732-233-3355.

Sincerely,

Uma Sundaram M.D. FAAP
